

About:

A unique collaboration between NIT Puducherry, India and Politecnico di Torino, Italy—driving innovation in data-driven dynamical systems and computational modeling . It is spearheaded by two pillars of engineering excellence.

NIT Puducherry: An Institute of National Importance, driving interdisciplinary research in India.

Politecnico di Torino: Italy’s premier technical university, leading in computational modeling.

Conference Overview

This conference aims to bring together leading researchers, scientists, and practitioners in the fields of dynamical systems, computational modeling and data- driven approaches. The event will provide a platform for discussing cutting-edge methodologies, trends, and innovations in modeling complex systems across various disciplines.

Key Topics of Interest:

- Data-driven techniques for dynamical systems
- Computational modeling in physical and biological systems
- Machine learning applications in system dynamics
- Modeling and simulation of engineering systems
- Nonlinear dynamics and chaos theory
- Big data analytics for system control and optimization
- Stochastic processes in dynamical systems
- Reduced-order modeling and surrogate simulation methods
- Physics-informed machine learning and hybrid modeling
- GPU-accelerated and high-performance simulation frameworks
- Time-series forecasting and system prediction using neural surrogates
- Energy-based modeling and stability analysis in dynamic environments

Politecnico di Torino

International Conference on Data-Driven Approaches to Dynamical System And Computational Modeling

14th–16th May 2026

Conference Venue

National Institute of Technology Puducherry (NITPY)

Karaikal, Puducherry, India
(Virtual participation option is available)

For More Info

Important Dates

Call for Papers Released
01 June 2025

Abstract Submission Deadline
15 January 2026

Paper Submission Deadline
31 January 2026

Notification of Acceptance
15 February 2026

Camera-Ready Paper Due
31 March 2026

Early Bird Registration Deadline
15 March 2026

Regular Registration Deadline
15 April 2026

Conference Dates
14–16 May 2026

Registration Fees

Category	Physical Fees	Virtual Fees
Indian Students	₹8,000	₹6,000
Indian Faculties/ Researchers	₹10,000	₹8,000
Foreign Student	₹12,500	₹10,000
Foreign Delegate	₹20,000	₹16,000
Industry Proffessional	₹24,000	₹20,000

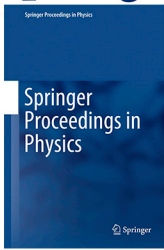

Submission Guidelines

This conference Submit original, unpublished manuscripts (in English) not under review elsewhere. All papers must adhere to the official formatting guidelines.Paper submission in LaTeX format. All submissions will undergo peer review. Accepted papers will be presented at the conference and included in the official proceedings.

Publication Guidelines

Springer

Accepted papers will be published in Springer Proceedings in Physics (Scopus Indexed). At least one author must register and present the paper, either virtually or in person. There is no publication fee, only the conference registration fee. Revised papers must be prepared using the official LaTeX or Word template proided by springer. All manuscripts will be subjected to quality check by springer.

Nearby Places to visit

VELANKANNI

THIRUNALLAR

THARANGAMBADI

Keynote Speaker:

Dr. Palaniappan Ramu

Professor, Department of Engineering Design, Indian Institute of Technology Madras

Title:Data Visualization for multi criteria decision making

Dr. Shaobo He

Professor, School of Automation and Electronic Information, Xiangtan University

Title:Discrete memristive spiking neural network.

Dr. Lamberto Rondoni

Professor, DISMA, Politecnico di Torino

Title:Data Driven Approaches...

Dr. Edwin Geo Varuvel

Professor, Dept. Mechanical Engineering, Istinye University

Title:TBD

Dr. R. Merino Martinez

Professor, Dept. Aeroacoustics and aircraft noise, Technische Universiteit Delft

Title:TBD

Aninda Bhattacharya

Product Director - Data Science at ABB

Title:ABD

Pre-conference hands-on workshops will be organized to provide participants with practical exposure to data-driven modeling, simulation, and computational techniques. Separate certificates will be issued to attendees who successfully complete these workshops, and further details will be intimated soon.

How to Reach:

National Institute of Technology Puducherry (NITPY) is situated in Karaikal. NITPY is located on the National Highway NH32 at about 58 Kms from Chidambaram towards South. The Institute is located about 8.5 Kms from Karaikal Bus stand on the Nagapattinam to Chennai Highway (NH 32). Karaikal Railway Station is about 11 Kms from the NITPY. The simplest and most economical way to reach NITPY is Bus Routes from Puducherry and Chennai pass through the Institute (to stop at Thiruvettakudy Arch) to reach Karaikal Bus Stand.

Commitees:

Chief-Patron	Dr. Makarand Madhao Ghangrekar Director,NIT puducherry
Patron	Dr. S. Sundaravarathan, NIT puducherry
Organizing Secretaries	Dr. Naveen Raj R, NIT puducherry Dr. Santo Banerjee, Politecnico di Torino, Italy
Co-Organizing Secretaries	Dr. Satishkumar P, NIT puducherry Dr. Lamberto Rondoni, Politecnico di Torino, Italy
Publication Secretary	Dr.Vani V, NIT puducherry Dr. Praveen Ram R, NIT puducherry

International and National Advisory Board

Dr. Shankar Krishnapillai, IIT Madras
Dr. Gnanamoorthy, IIT Madras
Dr. Chandramouli P, IIT Madras
Dr. Hayder Natiq Kadhim, Imam Ja'afar Al-Sadiq University, Iraq
Dr. Pawan Kumar, National Academy of Sciences of Belarus (NASB)
Dr. Kajal Kumar Mondal, Coochbehar Panchanan Barma
Dr. Kamrul Hassan, University of Dhaka, Bangladesh
Dr. Lamberto Rondoni, Politecnico di Torino, Italy
Dr. Laxmikanta Mandi, University of Gour Banga, India
Dr. Mai The Anh, Vinh University,Vietnam
Dr. Rakkiyappan Rajan, Bharathiar University, India
Dr. Muhammad Firdaus Abdul Rahim, Mahsa University, Malaysia
Dr. Matteo Colangeli, Universita degli studi dell'Aquila, Italy
Dr. Indu Bala, The University of Adelaide,Australia
Dr. Devanjan Bhattacharya, University of Edinburgh, UK
Dr. Stavros Stavrinides, Aristotle University, Greece
Dr. Son Dang Thai, Vinh University,Vietnam
Dr. Shaobo He, Central South University, China
Dr. R. Uthayakumar,The Gandhigram Rural Institute, India
Dr. Priyanka Mohan, Guizhou University, China
Dr. Sehshadri Shekar, Director, IIT Palakad
Dr. Gyanendra Tripathi ,Kyushu Institute of Technology, Japan
Dr. K. Shankaranarayanassamy, NIT Trichy
Dr. R. Sivaraj ,Vellore Institute of Technology,Vellore, India
Dr. Suresh P.S., DRDO
Dr. Suryanarayana Prasad,Ashok Leyland, Chennai
Dr. B. Rushi Kumar,Vellore Institute of Technology, India
Dr. Britto Gowri
Mr. Sheik Jaheerudien, IOFS,AVADI
Dr. S. Senthilvelan, IIT Guwahati, India
Dr. Shahis Hasim, Sweden
Prof. Manosh Paul, Glasgow, UK
Dr. Jun Mou, Dalian Polytechnic University, China
